DODONI

Dodoni is the world leader in authentic Greek Feta.

Made from pasteurised milk from sheep and goats that graze freely on the purest grasslands of the Epirus region.

The region is hilly and very moist leaving the animals to graze on 2500 different types of native plants, flowers and shrubs. Due to these factors, the milk is unique and this is the secret ingredient to Dodoni

CHEESE CO.

MAFFRA

Located on a dairy farm near Maffra in the heart of Victoria's lush Gippsland dairy country is the Maffra Cheese Co.

The milk used to make Maffra Cheese is sourced only from the cows on our farm making us a true 'farmhouse' cheese producer. No animal rennet is used in the manufacture of Maffra Cheese, so it is suitable for vegetarians. All cheeses in the range have Halal certification.

Greek Yoghurt

GREEK YOGHURT DOUBLE STRAINED

Experience the unmatched smoothness of our **double-strained** Greek yoghurt. Creamy and rich, it's perfect for any occasion. Whether enjoyed on its own or in your favourite recipes, savour the simplicity of pure indulgence. Welcome to a world of delicious possibilities.

Nisi double-strained Greek yoghurt is thicker and creamier than regular yoghurt because it's strained twice, which removes excess liquid resulting in a thicker, more indulgent taste experience. Double strained Greek yoghurt is high in protein content and lower in carbohydrates making it great for cooking, easier to digest and more versatile overall.

- 500g Natural Greek Yoghurt (Sugar Free)
- 170g Classic Greek Yoghurt
- 170g Mixed Berry Greek Yoghurt
- 170g Vanilla Bean Greek Yoghurt
